### This is a joint session of Fraunhofer IPA and *Germany Trade & Invest*.

*Germany Trade & Invest* may contact you to clarify any unclear points in the registration form.

Any personal information provided will only be used by the *Germany Trade & Invest* and Fraunhofer IPA for the following purposes:

- 1) Administration of the Workshop, "The Future of Service Robotics in Germany" to establish contact and send materials for this event.
- 2) Statistical data management for the development of the related symposiums and the improvement of our service to clients.
- 3) Distribution of *Germany Trade & Invest* and Fraunhofer IPA exhibition, symposium, and seminar information.

If you do not require any of the information outlined in item 3 above, please tick the box marked "Further information not required" below. The personal information of individuals who indicate they do not require further information will be held for a period of six months before being deleted by *Germany Trade & Invest* and Fraunhofer IPA.

Further information not required
